

**MAXIM**

The image shows a dark blue integrated circuit (IC) chip with a white glow effect. The chip is rectangular with a scalloped bottom edge. The word "MAXIM" is printed in a bold, white, stylized font at the top. Below it, the model number "MAX16809" is printed in a white, sans-serif font. A small circular logo is visible in the bottom-left corner of the chip. The background is a light blue gradient with faint, semi-transparent images of a laptop, a monitor, and a control panel.
